Head:

- Original style beveled hook is standard

Size	Item	Price
24"	MH	\$22.00

Stub Nose Hook™

Heat Treated

Specially designed to fit in many different sized openings especially where other hooks are too big to fit. Our most effective solution for the simple round holes found in manhole covers or for the manhole covers that have cut outs with a bar across them.

Stub Nose Hook™ features:

Material:

- 9/16" hex alloy steel
- Heat-treated for durability
- Resists bending and flexing
- Bright color, easy to see

Size	Item	Price
32"	SNB32	\$27.00
