

Marker-Mate™ | Electronic Marker Locator

APPLICATIONS:

Marker-Mate is designed to locate all brands of buried electronic markers, including the patented Tempo Omni Marker™, and Uni Marker™. In fact, Marker-Mate sets an industry standard with the capability of detecting all seven application-based electronic marker types simultaneously (power, water, sanitary, telephone, gas, cable TV, non-potable water). Marker-Mate is user-selectable for any of these marker types, or the Scan mode will locate the marker types simultaneously, and automatically determine which type is detected. Marker-Mate scan mode, and its pinpoint accuracy, reduces time spent locating electronic markers. The Marker-Mate advanced pinpoint feature allows the user to adjust its detection threshold, making it possible to narrow the detection area to a precise location. Utilizing digital signal processor technology, the Marker-Mate is the most sophisticated and highest performing locator available. At the same time, the Marker-Mate was built to operate in all weather conditions. Tempo's Marker-Mate, Omni Marker, and Uni Marker . . . a complete solution.

FEATURES:

- Five+ foot depth range
- Detects up to seven different marker types
- Scan mode provides simultaneous detection of all marker types
- User-adjustable Detection Threshold
- Digital signal processor accuracy
- Large-character display is easy to read
- Bar graph, numeric & audible signal strength indicators
- Speaker volume adjust
- Headphone jack
- Battery level indicator
- Low battery warning
- Adjustable time out feature prolongs battery life (and can be turned off)
- Weather resistant
- Rugged construction

Marker-Mate™ Electronic Marker Locator

SPECIFICATIONS

Electrical:	Twelve AA batteries Battery Life: 20 hours typical
Environment:	
Operating Temperature:	-4°F to 122°F (-20°C to 50°C)
Storage Temperature:	-40°F to 158°F (-40°C to 70°C)
Weather Resistant	
Physical:	
Length:	30.7 in.
Width:	7.8 in.
Height:	12.8 in.
Weight:	4.5 lbs. with batteries

ACCESSORIES	MODEL	UPC
Headphone set	361	60778
Soft carrying case		

Scan Mode: Automatically determines marker type detected (power, water, sanitary, telephone, gas, CATV, non-potable)

RELATED PRODUCTS:

Omni Marker Electronic Marker

Provides improved method to electronically mark and locate underground facilities such as power, water, sanitary, telephone, non-potable water, gas and CATV.

Uni Marker Electronic Marker

Suited for attachment to non-metallic utility box lids, hand holes, or other buried enclosures for power, water, sanitary, telephone, non-potable water, gas and CATV facilities.
